CONTENTS.—No. I.

PART I.—ORIGINAL COMMUNICATIONS.

Page

ART. I.—The Endemic Influence of Evil Government, illustrated in a view of the Climate, Topography, and Diseases of the Island of Minorca, with an account of its Medical Faculty,—of the French Military Hospital on the Isle de los Reyos,—and of the Statistics of the United States Naval Hospital at Mahon, for the years 1839, '40, and '41. By J. M. FOLTZ, A.M., M.D., Surgeon U. S. Navy, ... 7

I. The climate, topography, and diseases of Minorca, ... 8
Diseases of Minorca, ... 11
Intermittent Fever, ... 13
Neuroses, ... 15
Cancerous Affections, ... 17
Aneurismal Affections, ... 18
Diseases of the Digestive Organs, ... 20
Diseases of the Eye, ... ib.
II. Medical Faculty of Minorca, ... 24
III. French Military Hospital on the Isle de los Reyos, ... 28
Author's visit to Algiers, ... 29
IV. Statistics of the United States' Naval Hospital at Mahon, ... 31
Case of Hemiplegia, ... 33
" Aneurism, ... 34
" Hepatic Abscess, ... 37
" Tetanus, ... 39
Variola, ... 40
Extensive Wound of Lung, ... ib.
Comminuted Fractures, ... 42
Treatment of Fractures at Sea, ... 43
Description of the Fracture-cot, ... 45

ART. II.—Complicated Menstruation, as illustrated in two cases. By W. DETMOLD, M.D., of New York, ... 46

ART. III.—Observations on some of the more Obscure and Remote Effects of Syphilis. By JOHN WATSON, M.D., Surgeon to the New York Hospital, ... 53

I. Syphilitic Affections of the Encephalon, ... ib.
II. " " " Testicle, ... 55
III. " " " Bronchial tubes, simulating Phthisis, ... 57
IV. Syphilis simulating Primary Disease of the Digestive Organs, ... ib.

ART. IV.—A Curiosity in Obstetric Physiology. By JOHN H. GRISCOM, M.D., one of the Physicians to the New York Hospital, ... 58

ART. V.—On Electro-Puncture in Hydrocele, with cases. By F. CAMPBELL STEWART, M.D., of New York, ... 60

ART. VI.—On Epidemic Influenzas, with special reference to the now prevailing Epidemic Catarrhal Fever. By the EDITOR, ... 64

Synonyma, ... 65
History, ... 66
Causes of the Epidemic, ... 67
Symptoms, ... 71
Prognosis and Ratio of Mortality, ... 73
Treatment, ... 75
Sequelæ, ... 77
Connection with other Epidemics, ... 78

ART. VII.—The British Army Medical Statistics in reference to the Question—Is it likely that any beneficial influence can be exerted by climate itself in Pulmonary Diseases? By the EDITOR, ... 79

PART II.—CRITICAL ANALYSIS.

ART. VIII.—Annual Report of the Interments in the City and County of New York, for the year 1842, with Remarks thereon, and a brief View of the Sanitory Condition of the City. Presented to the Common Council by John H. GRISCOM, M.D., City Inspector. Document No. 59. Communication from the City Inspector, recommending a Reorganization of the Health Police. XI.—A Conspectus of the Pharmacopeias of the London, Edinburgh, and Dublin Colleges of Physicians, and of the United States' Pharmacopeia, being a practical Compendium of Materia Medica and Pharmacy. By ANTHONY TODD THOMSON, M.D., F. L. S., Fellow of the Royal College of Physicians, Professor of Materia Medica and Therapeutics in Univ. Coll., London, etc., etc. The Second American Edition, much enlarged and improved. Edited by CHARLES A. LEE, M.D. (From the Thirteenth English Edition.) New York: J. & H. G. Langley. 1843. 12mo., pp. 288, ... 109

ART. XII.—Physiology vindicated, in a Critique on Liebig's Animal Chemistry. By CHARLES CALDWELL, M.D. 8vo., pp. 110, . . 111

ART. XIII.—Practical Observations in Midwifery, with cases in illustration. By JOHN RAMSBOTHAM, M.D., late Lecturer on Midwifery at the London Hospital, etc., etc. Second Edition. London. 8vo., pp. 501, 113

ART. XIV.—The Physical Diagnosis of Diseases of the Lungs. By WALTER HAYLE WALSHE, M.D., Professor of Pathological Anatomy in University College, London, Physician to the Hospital for Consumption, etc. Lea & Blanchard. Philadelphia. 1843. 12mo., pp. 307, ib.

ART. XV.—Lithotripsy; or the Breaking of Stone in the Bladder. By ALBAN GOLDSMITH, M.D., late Professor of Surgery in the Medical College of Ohio and the College of Physicians and Surgeons in New York. New York: pp. 24, ... 114

ART. XVI.—The Climate of the United States and its Endemic Influences; based chiefly on the Records of the Medical Department and Adjutant General's Office. By SAMUEL FORRY, M.D. New York: J. & H. G. Langley. 1842. 8vo., pp. 380.

Meteorology: comprising a description of the Atmosphere and its Phenomena, the Laws of Climate in general, and especially the Climatic Features peculiar to the Region of the United States, with some Remarks upon the Climate of the Ancient World, as based on Fossil Geology. By SAMUEL FORRY, M.D. With thirteen illustrations. New World, 1843. 116

PART III.—1. FOREIGN MEDICAL INTELLIGENCE.

ANATOMY AND PHYSIOLOGY.

1. Microscopic Researches in Anatomy, ... 117
2. On Menstruation, ... 123

MEDICAL PATHOLOGY AND THERAPEUTICS.

3. Application of the Microscope to Pathology, ... 124
4. A large Biliary Calculus voided by the Rectum, ... ib.
5. Remarkable Case of Congenital Small-pox, ... ib.
6. On Revaccination, ... 125
7. Report of the Results of Inoculation in Measles, ... 125
8. Microscopic Characters of Albuminous Urine, ... ib.
9. Hoarseness and Aphonia treated successfully by the external application of Croton Oil, ... ib.
10. Potatoes a preventive and cure for Scurvy, ... 126

MATERIA MEDICA AND PHARMACY.

11. Quinia administered in very large doses, ... 126
12. Oleum Jecoris Aselli, or Cod-Liver-Oil, ... 127
13. Summer-Plant-Winter-Worm, ... 128
14. Indian Hemp or Gunjah (Cannabis Indica), ... 132
15. Iodine Injections into Chronic Abscesses of Joints, ... 133
16. The Ferruginated Pill of Mercury, ... ib.

SURGERY.

17. Treatment of Sprains by Starched Bandages, ... 134
18. Effect of prolonged and graduated Taxis in the reduction of Strangulated Hernia, ... 135
19. Artificial formation of a new Urethra, ... ib.

OBSTETRICS AND DISEASES OF FEMALES.

20. Spontaneous cure of a Uterine Polypus, ... 136
21. Cæsarean Section, with recovery of mother and child, ... ib.
22. Emmenagogue Medicines, ... 137

TOXICOLOGY AND MEDICAL JURISPRUDENCE.

23. What acts are essential to constitute Rape? 138
24. New Antidote for Corrosive Sublimate, ... ib.

MISCELLANEA.

25. Quackery in Paris, ... 139
26. An English general Practitioner, ... ib.
27. Accident to Baron Berzelius, ... ib.
28. Caloric a means of destroying Miasm, ... ib.
29. Artesian Wells, ... 140

2.—AMERICAN MEDICAL INTELLIGENCE.

Professor Mott's Case of Gluteal Aneurism, ... 140
Dr. Jarvis's "Surgical Adjuster." . . . . . ib.
New-York-Hospital-School of Medicine, ... 142
Arrestation of the Catamenia by the sea-air, by Dr. Isaac E. Taylor of New York, ... ib.
New York Medical and Surgical Society, ... ib.
College of Physicians and Surgeons, ... ib.
Castleton Medical College, ... 143
Medical Department of the Hampden Sidney College, ... ib.
New Medical Publications, ... ib.
Cheap Medical Literature, ... ib.
Army Medical Board, ... 144
Prize Essay of the Medical Society of Virginia, ... ib.
Boylston Medical Prize Question, ... ib.
Extraordinary Dwarf, ... ib.
Polysarcia Adiposa, ... ib.

TO READERS, CORRESPONDENTS, ETC.

The following works have been received:

Hamburgs Clima und Witterung: Ein Beitrag zur Medicinischen Topographie von Hamburg, so wie zur Climatologie von Deutschland überhaupt. Nach vieljährigen Beobachtungen bearbeitet, von H. M. Buek, Med. et Chir. Dr. Hamburg, 1826. (From Dr. Oppenheim.)

Hamburgs Krankheitsconstitution in Jahre 1841, nach dem Berichten der Herren Armenärzte zusammengestellt von Dr. B. Gädechens. (From Dr. Oppenheim.)

On the Preparations of the Indian Hemp, or Gunjah, (Cannabis Indica); their effects on the Animal System in health, and their utility in the treatment of Tetanus and other convulsive diseases. By W. B. O'Shaughnessy, M. D., Bengal Army, late Professor of Chemistry and Materia Medica in the Medical College of Calcutta. (From the Author.)

Pathological and Surgical Observations on the Diseases of the Joints. By Sir Benjamin Brodie, Bart., F. R. S., Sergeant-Surgeon to the King, etc. Philadelphia: Lea & Blanchard. (From the Publishers.)

The Physical Diagnosis of the Diseases of the Lungs. By Walter Hayle Walshe, M. D., Prof. of Pathological Anatomy in University College, London, etc. Lea & Blanchard, Philadelphia. (From the Publishers.)

Physiology Vindicated, in a Critique on Liebig's Animal Chemistry. By Charles Caldwell, M. D. (From the Author.)

The Northern Lakes; a summer residence for Invalids of the South. By Daniel Drake, M. D., Prof. in the Medical Institute of Louisville. (From the Author.)

Mental Hygiene; or an Examination of the Intellect and Passions, designed to illustrate their influence on Health and the Duration of Life. By William Sweetser, M. D., late Prof. of the Theory and Practice of Physic, and Fellow of the American Academy of Arts and Sciences. (From the Author.)

A Conspectus of the Pharmacopeias of the London, Edinburgh, and Dublin Colleges of Physicians, and the United States Pharmacopeia, being a Practical Compendium of Materia Medica and Pharmacy. By Anthony Todd Thomson, M. D., F. L. S., Fellow of the Royal College of Physicians, Prof. etc. Edited by Charles A. Lee, M. D. New York: J. & H. G. Langley. 1843. (From the Publishers.)

Lithotripsy; or the Breaking of Stone in the Bladder. By Alban Goldsmith, M. D., late Professor of Surgery, &c. New York: 1843. (From the Author.)

Albany Journal of Neurology, devoted to Physiology, Medicine, Phrenology, and the Philosophy of Mesmerism, conducted by an Association of Physicians. July, 1843.

The American Journal of the Medical Sciences. July, 1843. (In exchange.)

☞ All letters in regard to the *business* department of the Journal, and all remittances of money, should be addressed *exclusively* to the publishers, Messrs. J. & H. G. Langley; but books for Review and Communications designed for publication, should be directed, *free of expense*, to Samuel Forry, M. D., Editor of the New York Journal of Medicine, care of Messrs. J. & H. G. Langley. Persons at a distance may direct parcels, paid as above, under cover of Barrington & Haswell, Philadelphia, W. D. Ticknor, Boston, and Wiley & Putnam, London.

Postmasters, it will be borne in mind, are authorized by law to frank letters containing money for the subscription of periodicals.

, For Prospectus see fourth page of the cover.
